This face to face Training on Post 16 could be right
for you!**

Parent carers have asked us to put on **Post 16 training** so we are very

pleased to say that Maria Bloom from _____ is coming to B&D. Her session will cover what should be on offer locally to your Child and/or Young Person. It will give you a greater understanding of the law for young people moving into adulthood – also called Transitioning and PfA (Preparing for Adulthood).

We hope you will feel better equipped to plan with your family your next steps as well as connect with others just like you.

We have limited spaces on this important training course so it will be on a first come, first served basis and dependent on the payment of a **£5** refundable deposit in advance. *Please note if you do not attend we cannot refund the £5.*
