

Housing Strategy Workshop for Parents & Carers

We want to hear from you!

The council is developing a new Housing Strategy for Barking & Dagenham, and it's really important that the voices of families, parents, and carers are at the heart of it.

 ***This workshop will give you the chance to:***

- ***Share your experiences of housing in the borough***
- ***Tell us what matters most to you and your family***
- ***Help shape future housing policies and services***

"The purpose of this meeting is to work with parent carers to inform the development of Barking and Dagenham's Housing Strategy, ensuring that the specific needs and priorities of families are understood and reflected in shaping future housing policies and provision."
